

28th Annual LEESVILLE GAP

(Formerly Lodoga Road Race)

ROAD RACE

Presented by Golden Chain Cyclists & Velo Promo

Held under USAC Rules and Permit 2019-2123

Date: Sunday, June 30, 2019

A return to most of the old course, with beautiful paving on Leesville Grade, and some 8 miles of gravel. Next year only 3.9 miles of gravel!

Location: Williams, CA, in Colusa County, Hwy 5 at Hwy 20, north of Sacramento

Directions: Take Interstate 5 to Williams, exit at Business Hwy 20 (downtown- E Street) and turn west through town. At 11th Street, turn right and park at the school, straight ahead.

Registration: Opens at 7:00 a.m., closes at 15 minutes before you category's scheduled start, at Williams High School. Showers are available; bring a towel.

Course: Nearly the same as 2001-14 and 1990-98. One 60-mile nearly complete loop, with one major climb (Leesville Grade, 1,500') and several smaller ones. There's also a fast steep descent off Grapevine Pass. Narrow roads, with 8 total miles of ride-able gravel, in three sections, the first two mostly flat (on Freshwater and King Roads) and the third after Leesville, including a downhill stretch. On short construction set before Lodoga with a temporary bridge followed by potholes. The pavement sections are excellent to fair, including 12 miles – the entire length of Leesville Road brand new and smooooooth. But tighten all your bolts (including brakes, brake hoods, seat bolts and stem bolts)! Route: B and 7th streets in Williams, to a left on Freshwater, the same as the past four years. Then continuing on Freshwater to its end (first gravel stretch). Left on Manor and right on King (second gravel stretch after hump over the canal), right on Leesville, begin pavement again. West over the grade to go north on Leesville/Lodoga Road, last 3.9 miles of gravel); (becomes Lodoga/Sites, then Maxwell/Sites), south on Danley (jog to left at canal) to Freshwater, turning left to finish on Freshwater just before old 99w). Finish is 1 1/2 miles from parking/start area.
