Date: Sunday February 18, 2024

Location: Pine Flat Reservoir, Fresno County CA

Registration: Opens at 6:00 a.m. at Island Park Marina, and closes at 8:00 for all (note some races start before 8). 32299 East Trimmer Springs Rd, Sanger, CA 93657

Safety Notes: This is an open road course; there is other traffic on the roadway; always be aware of it and be prepared to slow and/or maneuver; and warn riders behind you of hazards. Part of this course is two way (out and back) watch out for traffic trying to pass riders going the other way. Stay away from the Centerline! Final climb is one lane, with occasional vehicles.

Directions: From Hwy 99 in Fresno, Take 180 E to Fowler Blvd, turn right (south) and then left (east) onto Belmont Ave. Follow Belmont East, (joining the race course route at Riverbend), eventually Belmont becomes Trimmer Springs Road all the way to Island Park Marina In the hills, 2 miles after a long climb, look for the Island Park driveway to the right, downhill.) This is approximately 34 miles from Hwy 99. (If you get onto Eastbound Kings Canyon Road, follow it east to Piedra Road, then left – northeast - to Piedra's end at Trimmer Springs Rd, then turn right to follow above instructions).

Course: 62 mile near-loop with a start out & back section in the foothills of the Sierra Nevada. Mountainous, some 2800 feet vertical (2 main climbs both near the end, last is finish hill, one fast twisty descent near the middle of the race, one more **NARROW** and **TWISTY** descent between the two climbs). Same as in 1994-2018. Road surface ranges from good to fair, some narrow, some traffic; many cattleguards. Roads:

Trimmer Springs out-and-back; Belmont, Riverbend, Ashlan, Watts Valley, Maxon to finish at summit]. See map on webpage, and below. Yes, this is a hard course for early in the year, but we can't hold it later in the year due to major increases in boat traffic on the roads and summer heat and potential fire smoke hazards.
